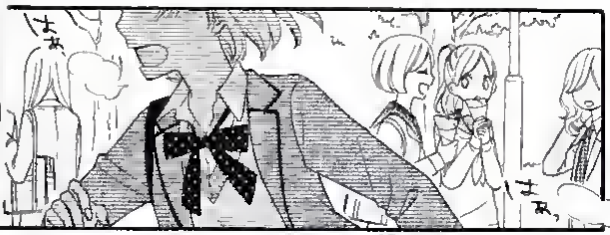
No Tittle

Music : Giga and Reol
Lyric : Reol
Singer : Hatsune Miku



"Before I realized it,

you had always been in my side just like the air."

People who laughed at me, their jeering voice,

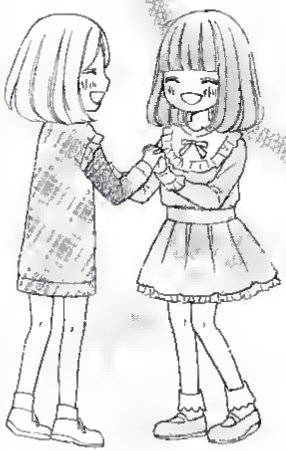
you sang so I couldn't hear them"

"Holding hands firmly,

cheerful things and tears, I told them all to you.

"Next time,
I will sing
for you"

"Slowly and gently,
it crumbles and breaks.
As if it's slowly
and slowly chocking
my neck, me until
yesterday is being
killed of."



"Slowly
and gently,
we separate
away and
become
tired.

When I hear
you speak
unethically,
it turns
into a voice
that I don't
know."

Eeeh~ What the heck is that~

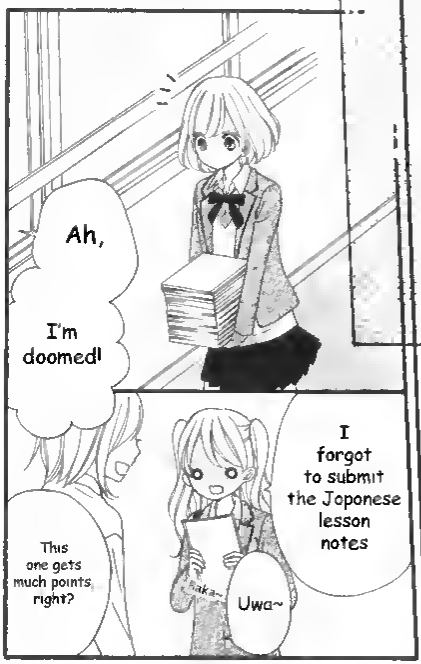
That's my seat, can I sit there...!
Ohayou
...So you came~
Comeen
We didn't realize it~
and then~
ほぇ
Nee~
At the end, what's happened with those two, I wonder

Keep looking ahead
everyone's suspicious eyes don't disoppeor, yet
Yeah~
About Kuriyama-san harassing Yuyu-chan too
It was left unclear, right?
The mis-understanding is dissolved a little, but,
Also,
Thot time
"Yuyu, she hates me... I think"
obout Shioko-kun too...

"That
is the same thing that Kojima said to me"
I accidentally let out my worries...
But that's the same thing with me speaking ill behind her back
I did something that I myself will hate
if it's done to me

Somehow,
I can't look directly at Shioka-kun's eyes
ブブッ



Ah,
I'm doomed!
This one gets much points, right?
Uwa~
I forgot to submit the Joponese lesson notes

Yuyu

I'll bring thot for you
I'm the one in charge of collecting the Japanese lesson notes
.....
I'm saved, thanks~~

I wonder if I still can submit it now...
...Ano!

Little by little,
I have to do my best at the things that I can do,
so I can talk with everyone again
To Yuyu and the others too...

まってます～♡

Let's go home together!
Somehow, it has been a long time, right
Eh....
W-
why...
Making up, of course!
Because now we've understaad that Nana-chan didn't da the harassing
and Yuyu's forgiven you too

Aren't you glad?
We let you to enter the group again
What did they mean by "enter the group"...?
Ne~ About the English teacher today

That was so hillarious, right~!
Everyone is laughing, but
Are they really laughing?
Azusa-chan and Chihomi-chan,
they should had some dissatisfaction about me, but this...
Nana-chan!
What happened?

Pretending that nothing had happened
Can that be called as "making up"...?
...Nothing
Without knowing what is Yuyu's true intention
Ah
But
I saw her going home together with Yuyu-chon's group yesterday
Kuriyama-san was always alone all day, but as I thought, somehow it's making us felt gloomy too, right—
You see, yesterday~
Ohayo~

Kuri-yama-san...
Ah...
Eh, really!?
...Ano
Yuyu!
Yuyu is so happy we met before the class
Let's go together ♡
Nana-chan ohayoo! ♡

I see, so it's like that!?
Eh
You've made up with Yuyu-chan now
means that the harassment was all mis-understanding, right?
I was also thinking
would Kuriyama-san do that far
Eh...
About what...?

Eh
Nah~
We're glad it's just a misunderstanding
We were also suspecting Kuriyama-san too much, We're sorry
What's this
That's right
Sorry for involving everyone and make you worry...!
Rather than my words
that I've desperately tried to convey for how many times,

Haa~h
I don't understand girls at all~
Even after having such a dispute like that,
then they are returning again to as usual in a flash
Naa~
What do you think, Shioka?
just by being with Yuyu
everyone easily believes me now?

I don't care
If she wants to be with them,
then it's all fine, isn't it
You really don't!
wahaha
...Ne,
Nana-chan,

Did something happen
between you and Shioka-kun?
No, nothing
I'm going to the toilet, okay
ガヤ…
ガチャン

What's with me

What am I doing

Yuyu wants to eat something sweet~
Where should we go?
How about Mc there?
Ah
Then, let's go the Miss Donut!
I'm in the mood of eating sweets too~
Nana-chan, you go sit at the inner~
...
Somehow,
Itada-kimaasu ♡
...here is the hardest sit to get out

With Yuyu as the center,
it feels like "I'm being allowed here" by them
if something happens,
I'm just going to be ostracized again
Like that, it'll keep repeating over and over
Then,

nothing is going to change, right?
Just say the truth already...!
...he?
Azuso-chon ond Chihomi-chon too,
you... don't forgive me yet, right?
Yuyu too
I don't know what are your true feelings to me

Laughing like nothing has never happened, I can't do it...!
...What the heck is that
How cold

Is there any meaning in doing that?
ガヴ
...I've remembered I have something to do, I'm going home
Me too
ガヴ
Wait...
タタ
タタ
...Yuyu
is only want to be with Nana-chan

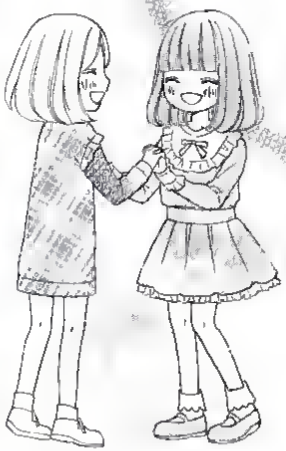
Nana-chan too,
If you have a fight with Yuyu,
you will be alone again, you know?
if only you keep be with Yuyu like this,
you will be aaalways happier

Be-
cause...
I'm
going with
what you
want?
Because
someone
is stonger,
or
because it's
convinient?
If Yuyu
wants
to be with
me because
of that,
I don't
want to
do that
anymore...!
...Yuyu
Why
do you
want to
be with
me...?

Everyone is like that, you know
With just something that we like happens,

we can't be together forever, you see
It's true that everyone is like that,
I was like that too
and you see-
awe some
ahaha
But,
more than anything,
I wanted to be with Yuyu because I liked her
"Yuyu likes Nana-chan"
"If it's With nana-chan,
Yuyu can talk anything"

"Nana-chan is Yuyu's best friend"



But I can't believe Yuyu's words anymore

Yuyu,
for what sake you were be with me?
キーン
コーン

Nana-chan too, hurry up!

The first period is moving class~
Let's go
カ"タ
カ"タ

I'm going ahead
If we keep being together more than this,

たっ
I'm sure we are just going to lose many more things
To Shioka-kun too,
I don't want to disappoint him anymore

For the sake of facing my own feelings too
with my own feet,
I'll try to separating myself from her
Before I come to hate Yuyu,
ばた
ばた
!

I'm sorry!
Uwaa~ even the pens too
No, it's my fault too
Wah!
Ah!
the same pen...
...Are,

ぎゅっ
This one step,

even if it's small
...Shioka-kun
Yuyu has something to ask
about Nana-chan

...Ano,
something is gonna changed by it
Do you like these kind of things too?
